

SALES CONTRACT

Synthetic trade-finance demo document based on common international sales-contract structure.

Contract No.	KPM-EXP-2026-0901
Effective Date	01 September 2026
Seller	Korea Precision Machinery Co., Ltd. 120 Demo Tech-ro, Gangseo-gu, Busan 46700, Republic of Korea trade@kpm-example.com
Buyer	NorthStar Industrial Systems Inc. 4100 Foundry Way, Springfield, IL 62701, United States procurement@northstar-example.com

1. Goods and Contract Value

The Seller agrees to sell and the Buyer agrees to purchase the machinery components listed below.

Item	Description	Qty	Unit Price	Amount
KPM-AH220	Precision actuator housing assembly	100 pcs	USD 1,000.00	USD 100,000.00

Contract Currency	United States Dollar (USD)
Total Contract Amount	USD 100,000.00

2. Delivery

Delivery term: **FOB Busan, Republic of Korea - Incoterms 2020**. Shipment shall be completed within the agreed production schedule. The on-board shipment date shown on the ocean bill of lading will be used as the shipment date for payment maturity.

3. Payment

Payment method: **Open Account (O/A)**. The Buyer shall pay the full invoice amount **90 calendar days after the shipment date**. Payment currency is USD. No advance payment is required from the Buyer.

4. Commercial Documents

The Seller will provide the commercial invoice, packing list and transport document customarily required for the shipment. Document issuance does not change the agreed payment maturity unless both parties agree in writing.

5. Inspection and Acceptance

The Buyer may inspect the goods for quantity and visible defects upon receipt. Any claim concerning visible shortage or damage should be notified promptly with supporting evidence.

SALES CONTRACT - CONTINUED

Contract No. KPM-EXP-2026-0901

6. Packing and Marking

The goods will be export-packed in a manner suitable for normal ocean transportation. Packages will show the contract number, destination and handling marks.

7. Delay and Communication

If the Seller becomes aware of a material shipment delay, the Seller will notify the Buyer and provide a revised expected shipment date. This clause does not constitute a guarantee of buyer payment timing beyond the payment term stated in Clause 3.

8. Taxes, Duties and Bank Charges

Taxes, duties and charges will be allocated according to the agreed delivery term and applicable law. Each party bears its own bank charges unless separately agreed in writing.

9. Entire Commercial Understanding

This contract records the commercial terms for the goods described above. Any amendment affecting price, currency, quantity or payment must be agreed in writing by both parties.

10. Financial Information Not Stated

For avoidance of doubt, this synthetic contract does not state:

Seller internal cash availability, Seller borrowing rate, Seller target margin, domestic production cost, or existing FX hedge positions.
